D.O. No. 8-26/2014-TEL(PT)

Dated: 3rd January, 2024

Respected Sir

As you may be aware, the national on-line education MOOCs platform "SWAYAM" was launched by MOE on 9th July 2017. A number of top-ranking Universities/ Institutions today offer on-line MOOCs/Certificate programmes through SWAYAM in almost all disciplines including high demand areas of new technologies. Till date more than 3000+ courses have been offered through SWAYAM and the total enrolments in these courses have crossed 3.89 crores.

2. The framework for transfer of credits (up to a maximum of 40%) has already been put in place by UGC by bringing out necessary regulations. With this, the students studying in a conventional Institutes / Colleges can transfer the credits earned through the SWAYAM Courses into their academic records. About 295 Institutions / Universities have recognized the SWAYAM Courses for credit transfer and many others are in the process of doing the same.

3. For the current January 2024 Semester, 1183 courses are offered on SWAYAM portal for learners (list attached). I would request you to circulate the course list to all the Universities and Institutions for wider reach. This will enable Students from all streams of the respective Universities/ Institutions to be aware of the same and encouraged to benefit from the credit transfer of high-quality MOOCs courses of SWAYAM.

4. I look forward to your support in this endeavour.

With Regards,

Yours Sincerely

(Govind Jaiswal)
