on

“Research Culture for Project Development Practices”

Organized by

Central Project & Research Committee (CPRC)

Date – 08-June-2024

Event Report

Central Project & Research Committee (CPRC) contributes to GNIOT (Engg. Institute)'s research culture through our mission to provide our research students, academic supervisors and researchers with the appropriate support, governance systems, and encouragement to develop and thrive intellectually and professionally, and achieve their fullest potential. CPRC has motive to enrich the intellectual life of the GNIOT (Engg. Institute) to enable research for students and faculty members to carry out advanced study and prepare for academic and professional life, developing excellent research skills that enhance their future career whether in academia or more widely.

Central Project & Research Committee (CPRC), GNIOT (Engg. Institute), Greater Noida organized Faculty Development Seminar on “Research Culture for Project Development Practices” for the faculties of GNIOT (Engg. Institute) on 08th June 2024. (Saturday), to create the culture within their research teams by setting and reinforcing the expectations for mentors, mentees, supervisors, advisees, peers, and collaborators.

This Faculty Development Seminar aims to deliver significant change in the research culture of the Faculty of Engineering, Technology and Applications, building on the data gathered in the pilot phase of the project in four areas:

- (1) Research mentoring
- (2) Research citizenship and the uses of research time
- (3) Support for researchers returning from long-term leave
- (4) Team working and career development for professional research support colleagues.

The seminar was started with the Lamp Lightening and welcome address by Dr. Monika Dixit, CPRC-Coordinator, with brief introduction of our guest. In the inaugural speech, Dr. Shivani Dubey welcomed the Honorable Guest, Dr. Shivani Jain, Sr. Data Analyst, AICTE, New Delhi. She added that this seminar will provide special benefits to the faculty members. Dr. Shivani also emphasis on the importance of quality in education field. She further shared and highlighted the importance and objectives of organizing faculty development seminar.

Prof. (Dr.) Dhiraj Gupta, Director, GNIOT (Engg. Institute) appreciated the seminar arranged by the CPRC team. He discussed with the participants that this seminar has opportunity for budding researchers to present quality research papers and receive critical review of their research work.

Dr. Shivani Jain, Sr. Data Analyst, AICTE, New Delhi, (Guest Speaker) highlighted the role of research in an academic institution is significant for its sustainability and development, and it is imperative to have knowledge-driven growth based on innovation. She talked about use of scientific research in for improving the health of people. She shared various examples on different approaches used in research. She explained the role and the importance of making a good hypotheses in research, she also talked about the importance and characteristics of a good questionnaire, importance of data in research. Every faculty members gave good response to this interactive seminar.

Dr. Shivani Dubey, Head-CPRC, also highlighted that the goal of faculty development seminar is to enhance the development of research culture for project development perspective. She also thanked and congratulated to Prof. (Dr.) Dhiraj Gupta to always give support to CPRC for conducting such type of the event for personal and professional growth of faculty members at institute level.

Dr. Monika concluded the session with vote of Thanks. She express her heartfelt thanks to Mr. Rahul for sharing valuable insights of Analytics using Excel, external participants of various organization, organizing committee members and internal participants.

The FDS was ended with a feedback session also. In the feedback participants have expressed their interest and willingness in arranging more events of this kind. The seminar was a great success as there were good no. of participants who performed extremely well.
