## Report : Seminar on " Block Chain Technology : Issues & opportunities"

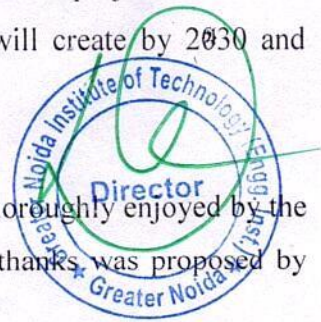

**Event:** Seminar on "Blockchain Technology: Issues & Opportunities"  
**Date :** 18th September, 2019  
**Time:** 10:00AM to 1:00PM  
**Resource Person:** Ms. Sarika, Director Institute of Learning, Greater Noida

Information Technology Department of GNIOT Group of Institution organised a Seminar on Blockchain Technology: Issues and Opportunities for the students of B.tech CSE, IT and MCA students on 18th september, 2019 . The resource person for the seminar was Ms. Sarika, Director , Institute of Learning, Greter Noida .

The Seminar began with a brief introduction about blockchain technology and welcome of Guest Speaker. Resource person started her session with interesting facts and anecdotes related to Blockchain, the demand for blockchain professionals and the huge packages they are getting. During her presentation she focused on the evolution of blockchain and the areas in which it is being implemented starting from finance to legal field, e-commerce companies and so on. she also shared some valuable insights on how it is being used for trading in cryptocurrencies.

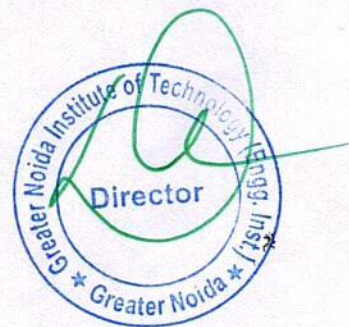

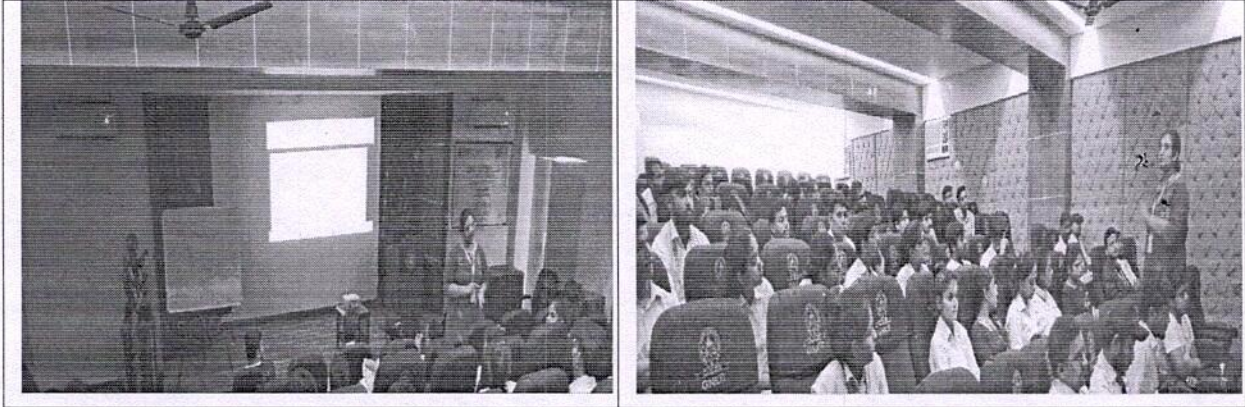

She also iterated that the data of companies using blockchain cannot be easily hacked since it is stored in multiple blocks. The government of India too came out with a policy on adoption of blockchain and currently some 15 states are using this technology for safe and secure transactions. She shared the coolest aspects of this technology which can be learnt by a person of any specialization with practice and constant updation. She shared the future projections related to number of employment opportunities, approx.. 40 million jobs it will create by 2030 and saving approx.. 12 billion dollars for each company.

The session was highly engaging, interesting and enriching which was thoroughly enjoyed by the students with positive and encouraging feedback by them.. A vote of thanks was proposed by HoD, Information Technology.
