

MEMORANDUM OF UNDERSTANDING

This MOU is executed at New Delhi on 05th Day of May 2023 between **Greater Noida Institute of Technology (Engineering Institute), Greater Noida** with its registered office at Plot No 7, Knowledge Park – II, Greater Noida, Uttar Pradesh - 201308 (as the “FIRST PARTY”)

Between

Indian Pollution Control Association with its office at 3-5, DDA Shopping Complex, Hargobind Enclave, Vikas Marg Ext. Delhi - 110092 (as the “SECOND PARTY”).

Whereas the First Party has approached the Second Party to undertake the project of Plastic Waste Management at its place on their behalf. The agreement is made initially for ONE year and may be extended further on mutual agreement after ONE year on revised terms and conditions (if any).

And whereas the Second Party has expressed its willingness to accept this project made by the First Party.

Now therefore it is agreed between the two parties as under:

A. The First Party will do the following jobs:

1. They will ensure segregation of plastic waste at source and they will do the collection of segregated plastic waste from different source and keep the segregated plastic waste at one common point. They will conduct awareness program on segregation of plastic waste.

2. They will coordinate with Second Party with respect to collection of plastic waste from common point and inform the second party at least two days in advance.

B. The Second Party will do the following jobs:

1. They will collect Plastic Waste from the common point of first party Greater Noida Institute of Technology (Engineering Institute), Greater Noida on as and when required basis.
 2. They will collect the segregated plastic waste and do the further segregation as per the different categories of plastic at their cost.
 3. To collect the segregated plastic waste, they will send their commercial vehicle with minimum one waste collector for loading the waste material.
 4. They will be responsible for the recycling of collected plastic waste through authorized recyclers at their own cost.
 5. IPCA will provide Certificate in the name of First Party (Greater Noida Institute of Technology (Engineering Institute), Greater Noida) against the quantity of plastic waste collected and recycled.
- C.** The First Party may purchase recycled products from the Second Party for further sale, demonstration and personal consumption as per the price list of Second Party.
- D.** Apart from sale/purchase of products, both the party will neither pay nor charge for the services.

E. Either party can terminate this MOU by giving one month notice in writing.

ENVIRONMENTAL AND ETHICAL COMPLIANCE

IPCA shall also comply with all applicable legislation, rules, regulations or orders relating to environmental management and any internationally recognized standards or Green Partner policies for ethical environmental management. Green Partner may, where appropriate, request improvements in IPCA practices to ensure compliance with the said principle. Further, IPCA shall implement an environment management system (EMS) based on the principles of ISO 14001 standard or similar international standard. IPCA shall encourage the adoption of the principles therein by its subcontractors.
